

Ohio County Healthcare MyCareCorner Portal Overview

Ohio County Healthcare has recently transitioned to a new patient portal to improve the ability for you to access your health information! Please review the following overview to learn more about the updated portal and how to access the information you need!

A. Homepage Overview – this is the screen you first see when you login to the new portal

The screenshot shows the MyCareCorner portal homepage. The header includes the MyCareCorner logo, a 'Home' button, and links for 'Give Feedback', 'Get help', and 'CT'. A navigation menu on the left lists: Home, Health Record, Medical Readings, Healthy Living, and Communication Center. The main content area is a grid of 12 tiles:

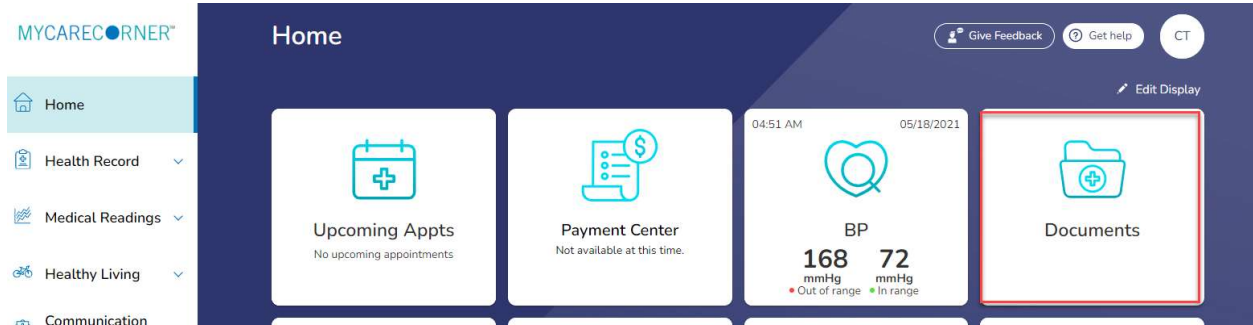

- Upcoming Appts**: No upcoming appointments.
- Payment Center**: Not available at this time.
- BP**: 04:51 AM, 05/18/2021. 168 mmHg (Out of range), 72 mmHg (In range).
- Documents**
- Encounters**
- Immunizations**
- Lab Results**
- Medications**
- Messages**
- Weight**: 09:26 AM, 10/15/2021. 0.9921 lbs.
- Welcome**: Learn how to use MyCareCorner.
- Print Record**

A status bar at the bottom left reads: 'Loading your most recent data. Older data may take up to 24 hours to show.'

The below areas are the primary locations where you can find the information you need!

DOCUMENTS

This is where any electronic documents that enter our system is stored. You can click “Documents” to view previously uploaded documents!

When you select “Documents” you can view previously signed consents, EKGs, orders, etc. Examples below! Just select “View and Download” and you’ll be able to view the desired form.
